"Everything was so personalized and we felt like very special guests and so welcomed! From the name tag on the front door, treats and personal note on our last night, to the wonderful spa and hot tub services offered at the Inn--every moment made us feel extra special." -TripAdvisor July 2017

SEASIDE SPA

Two unique spaces, a Yurt made from hand collected driftwood or our cedar cabin, plus carefully crafted treatments with signature alaskan elements and fabulously gifted therapists, make your spa experience a special memory.

"My above-all-favorite-spot for a massage! You will not be disappointed. I have to either drive 4 hours or fly to get to Homer, but I love the ocean beach and a good massage. This is my go-to when I am in Homer. Sometimes I go to Homer just to get a massage there!" -TripAdvisor February 2017

SPECTACULAR BEARVIEWING

Walk the same trails and sit on the same river banks as the bears. No barriers, fences or platforms separate you from them or other wildlife. Watch as they graze on sedge grass, dig clams, play, court, fish and rest, depending on season.

"This was a fantastic, well-organized experience. I, my husband and eight year old thoroughly enjoyed it. Responsible team led a zero-footprint trek in the bears' habitat. A privilege to step into the bears' world and at all times felt safe. Piloting also fantastic!" -TripAdvisor September 2017

WE LOVE HEARING FROM OUR GUESTS!

"Wonderful way to wrap up our trip!..."

So thankful we booked Homer Inn and Spa! After cabins for days throughout Alaska, this was the perfect place to rest and re-energize. It's beautifully decorated. Amazing quality mattress. High end spa-type bathroom and shower. Lovely little surprises both days made us smile. We felt so spoiled. And that view. OMG that view!" -TripAdvisor July 2017
